

## Curriculum vitae Europass

### Personal information

**Name / First name** VLAD Iulian  
**Address** 27,Boțircani street , 115500 Topoloveni, Argeș County, Romania  
**Phone** +40 0248 544 793 h Mobil + 4 0723 368 811  
+40 021 351 2631, b  
**Fax**  
**E-mail** vladiul@yahoo.com  
**Nationality** Romanian  
**Birth date** 17.08.1961  
**Sex** Male

**Desired employment / Occupational field** **Animal husbandry/Agriculture – Faculty of Engineering and Management of Animal Products**

### Professional experience

**Period** 2004 – present

**Occupation or position held** **Associate Professor Phd**

**Main activities and responsibilities** Teaching and research activities: Ethology, Animal Husbandry, Food Industry Equipment,

**Name and address of employer** University of Agricultural Sciences and Veterinary Medicine, 59 Mărăști Boulevard, sector 1, Bucharest

**Type of business or sector** Teaching and training of students (theoretic and also applied in practice) at the Faculty of Engineering and Management of Animal Products, undergraduate study programs: "Animal Husbandry", "Consumer and Environmental Protection", "Agricultural Product Processing Technology,,

**Period** August-september 2015

**Occupation or position held** Expert trainer

**Main activities and responsibilities** Teaching activity: teaching courses and specialized practical works.

**Name and address of employer** AGROM-RO Association, Sîngeorgiu de Mureș, Mureș County

**Type of business or sector** Preparation and trainees of .courses., Development of course support based on a bibliography and authorized skills in the training formation "Mountain Shepherd", qualification level II, within the project "CATIA - Qualification of employees in construction, agriculture, tourism and food industry ", Contract POSDRU 164 / 2.3 / S / 141715.

**Period** 1994-2004.

**Occupation or position held** **Lecturer**

**Main activities and responsibilities** Teaching and training of students (theoretic and also applied in practice) at the Faculty of Animal Science, in Ethology, Sheep and goat breeding, Technologies in Animal Breeding, Meat production technologies. Research activities in animal science field.

**Name and address of employer** University of Agricultural Sciences and Veterinary Medicine, 59 Mărăști Boulevard, sector 1, Bucharest

Type of business or sector	Teaching and training of students (theoretic and also applied in practice) at the Faculty of Animal Science, programs: "Animal Sciences", "Agricultural College", and research activities in animal science field.
Period	1990-1994.
Occupation or position held	<b>Assistant</b>
Main activities and responsibilities	Teaching and training of students (theoretic and also applied in practice) at the Faculty of Animal Science, in Sheep and goat breeding and research activities in animal science field.
Name and address of employer	University of Agricultural Sciences and Veterinary Medicine, 59 Mărăști Boulevard, sector 1, Bucharest
Type of business or sector	Teaching and training of students (theoretic and also applied in practice) at the Faculty of Animal Science, programs: "Animal Sciences", "Agricultural College", and research activities in animal science field.
Period	1988-1990
Occupation or position held	<b>Assistant - sheep farm manager</b>
Main activities and responsibilities	Teaching and training of students (theoretic and also applied in practice) at the Faculty of Animal Science, programs: "Animal Sciences", "Agricultural College", and research activities in animal science field. Chief of applied technology in sheep and goats.
Name and address of employer	University of Agricultural Sciences and Veterinary Medicine, 59 Mărăști Boulevard, sector 1, Bucharest
Type of business or sector	Teaching and training of students (theoretic and also applied in practice) at the Faculty of Animal Science.
Period	1987 – 1988.
Occupation or position held	<b>Fish farm manager</b>
Main activities and responsibilities	Managing the fish farm: Technologies, nutrition, reproduction in order to obtain the best productivity with the minimum of financial (and not only) effort. Research regarding the influence of risk factors who can occurred in fish farms.
Name and address of employer	I.A.S. Pitești. Călinești-Stefanesti, Argeș County
Type of business or sector	Cypriniculture in policultural conditions, Pisciculture and Aquaculture.
Period	1986 – 1987.
Occupation or position held	<b>Calves farm manager</b>
Main activities and responsibilities	Managing the calves farm: technologies, nutrition, acquisition, delivery, milk and meat quality control. Research regarding the improvement of some technical factors in direction of increasing the quantity and the quality of beef meat
Name and address of employer	I.A.S. Pitești. Căteasca, Argeș County.
Type of business or sector	Animal breeding

## Education and Training

Period	2009
Qualification / diploma	<b>Agricultural consultant/diploma.</b> Postgraduate studies in agricultural consulting
Principal subjects/Professional skills acquired	Community institutions and policies, European agricultural policies, Modern technologies and regulations of E.U. regarding cereals and technical plants cultivation, processing and marketing, Modern technologies in animal breeding; E.U.regulations regarding milk and meat products processing and marketing, etc..

Name and type of education / training provider University of Agricultural Sciences and Veterinary Medicine, 59 Mărăști Boulevard, sector 1, Bucharest.  
Post university programme Makis.  
Period 1990-1998

Qualification / diploma **PhD in Animal Sciences**

Principal subjects/Professional skills acquired Swine Reproduction, Endocrinology, Ethology, Fisiology. Animal husbandry.

Name and type of education / training provider University of Agricultural Sciences and Veterinary Medicine, 59 Mărăști Boulevard, sector 1, Bucharest - Faculty of Animal Sciences.  
Period 1998

Qualification / diploma Certificate of achievement

Principal subjects/Professional skills acquired Pedagogical course of estimation and establishing jurisdiction and methods of examination. Estimating and examination of professional skills.

Name and type of education / training provider University of Agricultural Sciences and Veterinary Medicine, Bucharest Colaborare in collaboration with Reaseheat College, England..  
Period 1997, June – August

Qualification / diploma Doctoral internship training in ecology and animal physiology./Certificate.

Principal subjects/Professional skills acquired Ethology, Phisiology, Intensive systems for animal exploitation.

Name and type of education / training provider **Agricultural University, Perugia, Italy.**  
Faculty of Animal Science and Faculty of Veterinary Medicine  
Period 1997 February – March

Qualification / diploma Internship training in preparation of fresh meat products/ Certificate of achievement

Principal subjects/Professional skills acquired Control and quality of fresh meat products. Raw materials and ingredients, Products processing, European laws regardin food traceability and biosecurity.

Name and type of education / training provider **A.S.F.O. D'ARMOUR Brest- France**  
College for food industries (**E.N.I.T.I.A**).  
Period 1995 July – September.

Qualification / diploma Internship training in animal production and methabolism / Certificate of achievement

Principal subjects/Professional skills acquired Nutrition - digestibility, Digestion phisiology. Specialisation in byochemical and methabolis analyses (on meat and milk), European Legislation.

Name and type of education / training provider Research Institute for Animal Production **Posieux-Fribourg - Swiss**  
Period 1993 May – October

Qualification / diploma Stage for specialisation în forage productions/Certificate of achievement

Principal subjects/Professional skills acquired Forage productions, Pratology. Specialisatiom în forage productions and technical improvement în pratology. European legislation regarding pratology and environmental protection,

Name and type of education / training provider Researc stations for forage proctions **Changins., Nyon, Swiss.**  
Period 1982 – 1986.

Qualification / diploma Licensed in animal sciences, engineer.

Principal subjects/Professional skills acquired Basic subjects: Biochemistry, Anatomy, Animal Physiology, Animal Genetics, Microbiology;  
Disciplines in animal sciences: Animal Breeding, Animal Nutrition; Breeding animals Pathology; Animal Management, Marketing, Education;  
Specialized disciplines: Technologies in animal breeding.

Name and type of education / training provider "Nicolae Balcescu" Agronomic Institute, Bucharest – Animal Sciences Faculty

Level in national or international qualification 4

### Personal skills and competences

**Matern language** Romanian

**Foreign languages** French, English, Italian.
